website which is used to see the available sports equipment in the shop.  
Has both user and admin logins where admin can change and upload the details of the sports equipment.  
Tech: PHP, MySQL, HTML, Bootstrap, CSS, JavaScript (November '21)

## ACHIEVEMENTS

---

**Codechef:** — [link](#)  
Solved more than 100 problems.  
Participated in good number of contests.

**Leetcode:** — [link](#)  
Solved more than 350 problems.  
Have been very consistent problem solver on leetcode

**codeforces:** — [link](#)  
Solved more than 100 problems.  
Participated in some coding contests.

## HOBBIES

---

- Reading books.
- Exercise
- Wakingup Early
